

Unlike other fish and chip shops at Tres Bon we only use the finest rapeseed oil which is zero rated transfats and only 7% saturated so you can only taste the food not the oil.

Since opening in October 2008 little was it known that Wayne and Jason have been frying fish and chips for many years, in fact from leaving school in the 1980s, then going on to open Tres Bon Café/Sandwich Bar in Lymington High Street in 1995.

Large orders welcome for up to 200 people. We can cater for most occasions with our outside catering department at Tres Bon Café / Sandwich Bar in the High Street Lymington. Tel 01590 673064
